Your Irrevocable Payment...

I am Mr. James Comey, the FBI director on behalf of world security agency. After proper investigations, we discovered that your impending payment that have been withheld by imposters, claiming to be Mr. Theodore Kodjo Raja (Governor of the Central Bank of Benin Republic), Mr. Patrick Aziza, Mr. Frank Egoigwe, none existing officials of the oceanic bank of Benin and zenith bank, UK winning lottery, Andy Lear of HSBC bank, coca-cola winning lottery and among a list of others is now under our custody with the help of the economic and financial crimes commission (EFCC) and the local police force. Investigations revealed that you have spent a lot of your personal earned money just to conclude the successful transfer of your funds into your nominated bank account by obtaining transfer documents as requested by the impostors, costing you a lot of money but all to no avail.

The FBI Executive Officers had sent some financial crime investigators from our headquarters in Washington DC to Africa in order to carry out proper investigation, after receiving series of other reports similar to yours as you are not the only person awaiting the legal transfer of funds from Africa. The FBI has giving authority to the international monetary funds (IMF) to assist the federal ministry of finance and all the organization involved; such as the central bank, zenith bank, and legit lottery organizations to immediately commence with the compensation of all the beneficiaries awaiting the successful transfer of their funds. With the help of some best internet investigators attached to the FBI, we traced your information from the internet as one of the beneficiaries awaiting the successful transfer of funds to your nominated account.

I am pleased to inform you that a meeting was held as regards the best way to carry out with the compensation exercise for transparency and most especially to avoid re-occurrence of the delay in transferring your funds and the high cost of procuring transfer documents and came to a final conclusion as all head of organizations involved was duly represented. It was approved to be issued to you as a valid international ATM card cash-able at any ATM machine designation in the world. The ATM card account has already being credited with eight hundred and fifty thousand dollars (\$8,000.000.00) with a daily limit of withdrawal of Four thousand United States dollars only. (\$4.000, 00). The ATM card has already being packaged and approved to be delivered to your door step via express courier delivery service.

To affect the release of your ATM card valued at \$8,000.000.00.
